K FAMILY GROUP

The K FAMILY GROUP (“KFG”) has finally got it wired!

That is, medical insurance for each Member of the Internet Catalogue Club that wants it!

What has made this possible is UNIFORM ADVERTISING.

Any Member of the Internet Catalogue Club can register as a Member of KFG by sending a registration request, including their Club number to kfg@zcash.org

KFG will place the Member on a list to await a “uniform”.

The “uniform” will include a KFG Membership & Insurance Card.

The Insurance Card will entitle the Member to full medical insurance coverage.

Plus, once the “uniform” has been provided, each week that the Member sponsors a new Member that registers as a KFG Member, the sponsor can receive \$500:

- 1) While waiting for the “uniform”, a Member may pre-qualify for future weekly payments by sponsoring new Members and registering them as KFG Members.
- 2) To sponsor new Members, a Member must have a PLACE through which the new Members may be registered.

Members registered may wait for advertisers to make “uniforms” available, or they can actively participate in finding firms that advertise using UNIFORM ADVERTISING.

A firm advertising using UNIFORM ADVERTISING does not have to make any payment, but they must financially stand behind a Purchase Order for at least \$2,080,000.

Further information may be obtained from the KFG by sending an email to kfg@zcash.org specifying which of the following specific topics you are interested in:

1. Becoming a Member in ICI
2. Having your ICC Membership listed with the KFG
3. Obtaining a KFG “UNIFORM” for free medical insurance
4. Participating with the KFG by advertising using UNIFORM ADVERTISING
5. Other topics (please provide information for discussion).
